

Utensil washer SU-600B 220/60/3

- Powerful and high pressure: specially indicated for restaurants, ice-cream shops, pastries and butcheries.
- Ideal to wash big sized pots and wares.
- Constructed from stainless steel.
- Door divided in two parts, perfectly counterbalanced, easy to handle.
- Double skinned machines: silent working and reduced thermal dispersions.
- Wash tank without corners to avoid dirt accumulation in angles.
- Stamped wash dispersers in stainless steel tubes.
- Easy to remove wash- and rinse dispersers.
- Safety micro switch at the door and electronic safety device to guarantee washing temperature and time.
- Electronic control panel with LED showing wash and rinse temperature.
- Drain pump and non-return valve.
- Complete with 1 stainless steel basket and insert for 4 trays.
- This machine has been designed and manufactured in accordance with the specifications laid down in European directives 89/392/EEC and 73/23/EEC.
- Please note: as a result of continuous product improvements, these specifications are subject to change without prior notice
